REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the limitations of "...a circular disc housed within the chamber and rotatable in a clockwise direction and in a counter-clockwise direction, the disc including an upper surface and a plurality of disc projections projecting from the upper surface, each of the disc projections presenting a radially oriented longitudinal axis, a substantially smooth washing surface and a gritted refining surface, the washing surface sloping upward from the upper surface of the disc to the axis along the clockwise direction, the gritted refining surface longitudinally opposite the washing surface and sloping upward from the upper surface of the disc to the axis along the counter-clockwise direction, a motor connected to the disc for selectively rotating the disc in the clockwise direction and in the counter-clockwise direction...a plurality of baffles...each of the baffles including a substantially smooth concave washing surface sloping away from the inner wall along the counter-clockwise direction, and a gritted concave refining surface longitudinally opposite the washing surface sloping away from the wall along the clockwise direction..." in claim 30 are not found in combination in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
